EVERYTHING PUMPS!

SANIPUMP

SUBMERSIBLE SUMP PUMPS

All SANIPUMP Models Feature:

- Cast iron body and volute
- **Top suction design** - reduces clogging and minimizes air lock, eliminating the need to drill a weep hole into the discharge pipe
- **Non-wicking power cord** - prevents water from seeping into the cord and entering the motor
- Provided with a **flow shield** which prevents water from the drain pipe from directly hitting the float
- 1 1/2" Discharge for easy installation
- Stainless steel fittings and impeller plates for **corrosion resistance**
- Upper and lower ball bearings for **quiet performance** and long life

Item #045
