Heating Brands You Need!

ADDITIONAL HEATING PROGRAM BENEFITS:

Inventory balancing at the end of the program period
During the month of December 2017 you may exchange any material purchased on this plan for other items listed in this flyer at NO PENALTY (i.e. dollar for dollar exchange). Material you would like to exchange must be in new condition.

These are the highest prices you will be charged during the program period. However, if we offer additional periodic specials during the program period at a lower amount, you will be invoiced the lower price on any qualifying purchase.

New Material:

We do not sell used or remanufactured material. Everything that we sell is new and carries the full manufacturer's warranty.

Quantity Discounts:

Quantity discounts, where shown, are as specified. For example, if there is a 100 lot price on 1/2" copper elbows and a 50 lot price on 3/4" copper elbows, you must purchase in that lot size. Mixing of sizes to obtain the quantity is not allowed.

Prices shown are per unit
