WHY SPECIFY CHARLOTTE PIPE'S CHEMDRAIN® CPVC CHEMICAL WASTE DRAIN SYSTEM?

Here are the top three benefits:

- **EASY INSTALLATION** - CPVC pipe is lightweight and requires no special tools for cutting.
- **MAINTENANCE FREE** - Once a CPVC system is properly selected, designed and installed, it is virtually maintenance free. It will not rust, pit, scale, corrode or promote interior buildup.
- **CHEMICAL RESISTANCE** - High resistance to a broad range of acids and

CHEVY 
EL CAMINO SS**

The Chevrolet El Camino SS was the most powerful model in its
range and is noted as such in most muscle car fan communities.
Its name literally means "The Path" in Spanish.

KOM-PAK®  **STERLING.**

Hydronic Perimeter Baseboard Radiation Heat
Simple Installation - Quiet Operation - Superior Performance

- Hydronic heating doesn't dry out the inside air like forced air systems.
- Gentle convection warms the full length of cold walls and windows.
- Rooms are easily zoned for individual control, resulting in lower fuel bills.
- A dedicated heating system has none of the compromises of a combined heating/cooling system.
