Your source for all things plumbing, heating piping and HVAC

Press with Taco for easy installation. Save time & money!

#1517397

Press Air Separators

Save money and prolong the life of the system, piping and components with the 4900 series

- Removes air and dirt
- Prevents reduced heat transfer, loss of efficiency, pipe corrosion and pump damage
- Prevents increased energy consumption and irritating noise

Press Zone Sentry Valves

- Simple and easy to install and operate
- Valve can be installed in any direction, in any orientation
- Can be mounted to valve body in either direction
- Great for tight baseboard jobs

#1241937

Press Mixing Valves, gauge included

The 5000 lead-free series

- Ideal for domestic water distribution points
- Suitable for use in potable water
- Delivers stable mixed water temperature
- Tamper-resistance cap
- Check valves included
