The original, patented, proven refrigerant press fittings - proudly made in the USA.

Same great fittings. Same RLS stamp.

With millions of fittings installed worldwide, you can count on the reliability of RLS!

SAFE: Elimination of the brazing process by using a flame-free press tool results in a safer work environment without the added risk of fire hazards.

FAST: Connections completed in 10 seconds.

RELIABLE: More consistent and dependable connections requiring less rework than the traditional brazing method. Plus, RLS press fittings are backed by a 10-year limited warranty.

- Connects in 10 seconds
- UL listed to 700 psi
- 10-year limited warranty
- Over 8 million fittings installed
- No flame, no fire hazards
- No fire spotters
- No hot work permits
- No nitrogen purging
