STOPPER DESIGN OPTIONS

1 UNI-LIFT

2 TOUCH TOE

3 PUSH N' PULL

FREESTANDING TUB DRAIN

- Universal Compatibility
- Compact size allows the drain to fit inside 8", 10" and 12" joists
- Fits inside 4" hole saw opening, making this drain great for remodels
- Pre-installed, tool-free 1/4 turn test plug allows for testing up to 40 ft. of head
- Easy-to-grab protective cover keeps tile from being installed over the open drain and can be easily removed with channel locks
